

SHAIK MOHAMMED MAHIR

+91-8464977861 — shaikmahir0313@gmail.com

Summary

A results-driven learner with passion for continuous improvement. Ability to adapt to new challenges and contribute effectively to team efforts. Reliable and flexible with strong skills in critical thinking and collaboration. Known for maintaining high standards and delivering quality results.

Education

B.Tech in Computer Science Engineering

Mohan Babu University

Expected graduation: 2026

Class XII

Krishna Chaitanya Jr. College

Andhra Pradesh Board

Year of Completion: 2022

Technical Skills

- **Programming:** Java, Python, HTML, CSS
- **Frameworks/Tools:** Spring Boot, FastAPI, Git, Microsoft Excel
- **Teamwork:** Agile collaboration, Project planning, Code reviews

Projects

AI-Based Hate Speech Detection

- Developed a full-stack web application as a team to design, to detect hate speech using an AI model (Distil-BERT).
- Integrated a Python-based machine learning model with a Spring Boot backend using FastAPI and RESTful APIs.

CampusBridge – Integrated LMS and Coding Platform

- A full-stack LMS+coding development platform integrating AI-powered code assistance, real-time collaboration, and academic management..
- Implemented live group coding rooms allowing real-time collaboration between peers.

Internships

SURE Trust

January 2025 – June 2025

- Completed 4 months of intensive training in Data Structures and Algorithms (DSA) and Core Java.
- Participated in a 2-month team-based internship project to develop a web application for hate speech detection using an AI model (Distil-BERT).
- Collaborated with team members on project planning, implementation, and deployment.

Certifications

- Accenture UK - Developer and Technology Job Simulation
- Microsoft Excel for Beginners and Intermediate
