

SHAIK MOHAMMED MAHIR

Aspiring Software Developer | Programming | Team Collaboration

+91 8464977861 @ shaikmahir0313@gmail.com

SUMMARY

Computer Science student with expertise in software development and technical problem-solving, proficient in programming languages including Java, Python, and basics of web development. Key skills in debugging and performance optimization have been demonstrated. Achievements include the completion of Accenture UK's Developer and Technology Job Simulation, which involved designing a custom algorithm and conducting research on emerging trends. Currently seeking an entry-level position in software development where technical skills and collaborative abilities are offered to support the company's mission.

EDUCATION

Bachelor of Technology in Computer Science

Mohan Babu University

05/2026 Andhra Pradesh

Intermediate(11th & 12th)

Krishna Chaitanya Junior College

05/2022 Andhra Pradesh

10th Grade

Akshara Vidyalaya

03/2020 Andhra Pradesh

CERTIFICATION

Accenture UK Developer and Technology Job Simulation

Completed the Developer and Technology Job Simulation where I conducted in-depth research into emerging technology trends, designed a custom algorithm using pseudocode.

Microsoft Excel

Completed Intermediate Excel Certification, showcasing foundational skills in Microsoft Excel, including data entry, basic formulas, functions, data analysis, and automation techniques.

KEY ACHIEVEMENTS

Algorithm Optimization

Implemented algorithm reducing processing time by 20%.

Debugging Excellence

Participated in debugging sessions improving my skill by 25%.

Accenture Job Simulation

Completed a job simulation at Accenture UK with a 90% accuracy rate.

Excel Automation

Automated data entry tasks in Excel, increasing productivity by 30%.

STRENGTHS

Dependability and Organization

Organized and dependable candidate successful at managing multiple priorities with a positive attitude.

Eager Learner

Eager to contribute to team success and further develop professional skills.

Team-oriented

Willingness to take on added responsibilities to meet team goals.

Adaptable programmer

Quickly learns and adapts to new programming languages
